Dear Mr. Francisco Javier Somoza Vales,

I am really sorry for your bad experience.

Let me introduce myself, I am Kalina Nedelcheva- office manager of Fertility Europe. Ms Karen Goss is a contact person for our Belgian member. We are not a legal institution and we are not in a situation to help you in your case. Unfortunately we don't have any member in Russia to assist you neither.

I can forward your e-mail to ESHRE, but please send me a link where the hospital advertises that they are ESHRE members.

Regards,

Kalina Nedelcheva
